

spat.h

```
graph RL; align_c[align.c] --> spat_h[spat.h]; gemoda_s_c[gemoda-s.c] --> spat_h; words_c[words.c] --> spat_h;
```

The diagram illustrates the relationship between a header file and three source files. On the left is a black rectangular box labeled 'spat.h'. To its right are three white rectangular boxes with black borders, labeled 'align.c', 'gemoda-s.c', and 'words.c' from top to bottom. Three blue arrows point from each of these three boxes towards the 'spat.h' box, indicating that each source file includes this header file.
